Gents:-

Enclosed we hand you check for Twenty Eight Dollars & Eighty eight cents. ($28.88) to balance acct. to date.

We trust that you will pardon delay in sending this last invoice of coins back, but business has been so dull this last month that we thought it best to keep them over a short time. Although we sent out circulars advertising same we could sell but few of them.

Business has been almost at a 'stand-still' lately.

We wish that you would make us up a very fine invoice of goods for next month and send it so that we could get it by the 27th of this month. That would give us a chance to get out a lot of circulars by the 1st of June. If you will send us such a lot we will, besides having circulars, send out a man and have him carry a sign on his back advertising this "special sale". In the words of a chicago man we will "sandwich" a man with sign boards.

We think that we can stir up trade in this way and do a good business for you

next month.

There is nothing special that we need but it might be a good idea to send some american gold also Foreign gold pieces and we will make a special effort to see them.

Make this lot as cheap as possible for we want to use this as a "draw" and advertisement.

Thanking you for the many kind favors we have received from you in the past we are,

Yours very truly,
